Youth Ministries

- Brandon Howard, Minister of Youth

I want to start off by saying that the past eight months working here have been awesome. My wife and I are so grateful to have a church family that has made us feel at home. You all have been more than gracious to us and we are deeply thankful.

The summer has gone by so fast, but I believe it was a really sweet time for the youth. From the beach trip to Camp Buc, I have seen new friendships form and old friendships strengthen. I have seen a group of kids who were constantly bickering and picking on one another turn into a group of kids who love and encourage one another. I think the sweetest moment of the whole summer came around the campfire Wednesday night at Camp Buc. There were sins confessed, tears shed, and a lot of love shown for one another. I think that one particular event made me the proudest I have been this entire summer! God is definitely working in the hearts and lives of the students here at College Street, and you all are an intimate part of that. Without your prayers and financial support none of this would have been possible. Again I am so grateful for each of you and your encouragement.

This month we will be wrapping up a series on "How to Read the Bible". We will then move on to a challenging series on the book of James. I am really excited to begin the book of James and continue to challenge our students to live a life worthy of the Gospel (Philippians 1:27). I ask for your prayers as the students process what that means. I also ask for your prayers for the FCA at Walhalla High and Middle Schools. I am going to make an effort to be at most of those meetings. I believe that a group of students gathering together in prayer and worship on the campus of the schools is a powerful thing! Pray that our students along with the students who attend the FCA meetings would passionately share the Gospel on their campuses, and that God would save many souls as a result.

Again, I want to thank you all for your hospitality toward me and my wife and also for the outpouring of financial support for our youth. You guys are awesome! I look forward to seeing what God is going to do in and through our students and our church in the coming months.

THANK YOU NOTES

Dear College Street Baptist Church,

"During a time like this we realize how much our friends and relatives really mean to us....Your expression of sympathy will always be remembered."

Your love and compassion shown to our family during the illness and home-going of our dear Mr. Garland is so appreciated. The visits, calls, prayers and great meal after the service were a blessing to us. The memorial gift to Hospice will help others experience the wonderful care we had there. Our prayers are with this great church and family.

To My Church Family,

I'd like to thank everyone for all of the many ways that you helped me during my surgery and rehab. It has been a little longer road than expected, but we've finally made it to the end. I thank you for all of the visits, calls, cards, food, and Diet Cokes! Most of all thank you for your prayers. Sometimes we take a lot of things for granted, but you have shown me just what a great church family you are. It is a joy and honor to serve with you. Thanks again.

God bless,

Children's Ministries

Lauren Beddingfield, Minister of Children

Hello CSBC!

I cannot believe that summer is over and fall is here! I am so excited to resume our fall activities at CSBC! All of our children's activities including M.A.R.K. Club, Good News Club, and Bible Quest on Wednesday nights all start in less than three weeks! I want each of you to be praying for these ministries as they begin this new school year!

Our new initiative in M.A.R.K. Club this year is entitled "Be a ReMARKable Kid!" The letters of M.A.R.K. this year will not only stand for "Music And Recreation for Kids", but also for "Manners, Attitude, Respect, and Kindness". These are qualities of behavior that everyone should strive for daily, and we are hoping this year to instill them into all of our children. I am looking forward to seeing many of our M.A.R.K. Club kids returning this year. I cannot wait to see how God will use us to minister to them and their families!

Good News Club starts on September 15th. If the response on "Back to School Night" at Walhalla Elementary is any indication, we will have many new students this year joining us along with our children that have been coming over the past few years! Good News Club has the potential to be a highlight in a child's week! Pray for us as we begin to show all of the children that attend who Jesus is and how much He loves them!

Our Wednesday night program this year is entitled "Bible Quest"! We encourage all of you to bring your children and grandchildren to this program while you attend the Wednesday night Bible study. We are intending to incorporate the interpretive movement that we had last year as well as times for Scripture memory and Bible study. It is going to be a great time of discipleship and learning for our children! I hope to see all of you there!

I anticipate with excitement all of the great things that God is going to do this fall in our church and in the lives of our children. I hope that you will be in prayer for our ministry and if you feel led, find a way to be involved. There are so many opportunities available to serve and love all of our children! I am here to serve you! If there is anything I can do to serve you or your family, please let me know!

Because of Him,

Lauren

NEWSLETTER & BULLETIN UPDATE

Please remember that any items that need to be included in the newsletter publication should be in the office (**in print**) either by e-mail, fax or drop off a note to us **two weeks** prior to printing the newsletter each month. Thank you for keeping this in mind when planning your events.

From Ken...

Ken's Korner

- Ken Reid, Pastor

Happy New Year! LOL... It's the church's new year! And with every new year comes many challenges, changes and opportunities. Sounds good? It can be if we let it.

Wednesday evening suppers will resume on September 9th. Thanks to all the teams who do such a great job cooking for us so that we can participate in the Wednesday evening activities.

One of those activities will be the ministry to children. This Wednesday night effort will take on a new name. It will be called "Bible Quest"! Think of it as "survival training" in spiritual and everyday life skills. Last year children were exposed to studies like prayer, books of the Bible and puppetry. This year they will be exposed to studies like manners education, Bible drill, interpretive movement and the books of the Bible through object lessons and adventures like hiking and scavenger hunts.

Grades K-5 through 2nd grade will be led by Lauren Beddingfield. Grades 3-5 will be led by Laura Addis, Allan Addis and Betsy Reid. We (through the Nominating Committee) are seeking preschool and nursery leaders for the same time. Classes will be held from 6:00 – 7:00 pm each Wednesday.

Our "Through the Bible" for adults will also continue from 6:15 – 7:00 pm each Wednesday.

As part of this Wednesday effort our mini-bus will run each Wednesday evening, leaving the church at 5:30 pm and returning at 5:50 pm. We anticipate about 10 to 12 children to arrive for supper and then to attend "Bible Quest". Here is where we need your help.

As the children arrive we need adults to meet them, greet them, seat them at a dining table, help serve them food and then to lead each group to their classroom at 6:00 pm. This commitment will take about 15 minutes of your time. Will you help us? Will you give 15 minutes on Wednesday evening to help us help the children in an orderly fashion?

*"Bible Quest" is for ALL children of our church family and those who have asked to come be part of this wonderful ministry. Together we see this as an extension of our M*A*R*K on Sunday evenings.*

God has given us an incredible ministry to children. Let's do all we can to participate together and make both Sunday and Wednesday evenings the best children's ministry in the county. If you can help, let me, the Nominating Committee or any of the above leaders know of your willingness to serve.

*One more thing! While M*A*R*K takes place each Sunday evening beginning September 13th I will also begin a great video based bible study entitled "Victory in Spiritual Warfare" by Tony Evans. In this first study of the year for adults we will learn about the spiritual origins of daily struggles and the tools of spiritual armor that God has given us to live in the victory that has already been won through Jesus Christ.*

And one more, "One more thing". On Sunday, September 13 I will begin a new Sunday morning series on "Spiritual Awakening". It's a series in progress as we seek to become the church God expects us to be. We will "Return to our Roots" in our faith each week. I will challenge you through God's Word to reflect on where we are and seek where we ought to be and ask for a commitment each week.

If you can't tell yet, I'm excited about the direction that the Lord is leading us this year. If there is a theme it might be something like... "Returning the Church to its Rightful Place in this World".
