THANK YOU NOTES

Dear College Street Baptist Church,

Thank you from the bottom of my heart for the donation to my church. But most of all, the beautiful words about Jim. It meant so very much to his siblings and to me.

Thank you again for the beautiful prayer, Julian.

Sincerely,

Delores R. Krueger
(Mother of James “Jim” Mark Krueger)

Dear College Street Baptist Church,

“Thank you for your words of sympathy, your voice of concern, your gesture of caring and the love you offer.”

Thank you so much for your prayers and generous donation in memory of my father (Winfred Reeves). We also want to thank you for your prayers during our time of loss. May God bless each one of you!

Love In Christ,
Sherri Keylon & Family

Student Ministries

- Lauren Beddingfield, Director of Student Ministries

Hello CSBC!

After a year and a half, it has been great to start MARK Club again as well as Bible Quest. I am so thankful for our volunteers who have given of their time and talents to be a part of our Children's Ministries. Whether you help with one class or many, whether you help with our "biggs" or our "littles", what you do is so beneficial to the kingdom of God. You are not a babysitter; you are a warrior of God's army fighting for the souls of our children. You are not just a teacher; you are a provider of truth to those who need it. When you build a relationship with a child who has instability and uncertainty in their lives, you provide hope. When you provide nourishment for their bodies, you also provide peace in their little hearts. What you do matters!

I would say the same to our volunteers in Youth Ministry. Our children and teenagers are in constant spiritual and mental battles each day. Add unlimited access to the world around them via phones, tablets and computers as well as a global pandemic to that, well all I can say is WHEW! It must be so challenging attending school each day wondering if you'll leave Friday and not return Monday. Or perhaps you know you get affection and meals each day at school, and at home that is an uncertainty. Our hearts should break for our children and students.

If you know of a child, a teenager or even a teacher that is in our schools daily, I encourage you to encourage them. A teacher deals with the uncertainty of their own personal lives and the uncertainty that is in each of their students lives as well. They need to know that what they do matters.

I hope there is an end in sight for all of this extra hurt and uncertainty going on in our world. I am thankful for God who gives us peace that surpasses understanding and a hope for tomorrow. I believe in that hope. Our world needs that hope.

Who can you share it with today?

~Lauren
